

## Our Mission

The mission of the Bureau of Statistics and Plans is to ensure Guam's resources are effectively used for the benefit of present and future generations by ensuring consistency among various plans, policies and programs. In order to do this, the Bureau is committed to:

- Serve as a catalyst for planned and balanced economic, social, environmental and physical growth
- Advise the Governor during the formulation of policies and on the interrelationships among laws, plans, policies and programs
- Provide insight during the formulation and integration of plans, policies and programs which further social, economic, environmental and physical development goals and priorities
